U. S. Department of Agriculture \* MAR3 - 1955 HANLIN'S IRIS GARDENS 122 Eighth Altizer Addition HUNTINGTON, W. VA.

Having accepted a new position, my duties are of such that I must reduce my iris plantings. The gardens at my residence will remain as a "Hobby" and on limited basis after this year.

All mail orders of \$3.00 or more will be prepaid in this state and adjoining states; all other states must include 5 cents per plant, extra, for postage.

Because of limited stock on some varieties, substitutes may be necessary. Unless a substitute list is sent refunds will be made on all sold out varieties.

Visitors are always welcome throughout May. They may brouse around at will whether the owner is at home or not. I plan to be home after 4 P. M. Monday-Friday and on week ends.

I will begin filling orders about June 1st and continue late into the fall. Be sure to show on your order sheet when you prefer your orders and I shall do my best to oblige.

I have a compost-leafmold consisting of rotted leaves, lime, soil, and fertilizer. A real humus for nearly all purposes. Regular quality is 50 cents bushel or screened for 75 cents. No shipments are made. Visiting customers must come on evenings and week ends.

You may phone me at 32991 from 8 A. M. to 3 P. M. or at my home 23454 on evenings and week ends.

## DESCRIPTIVE LIST FOR 1955

ACE HIGH—Large soft yellow	.35
ACE HIGH—Large soft yellowACTION FRONT—Deep copper red	.50
ADVANCE GUARD—White stitched blue	.65
AFAR—Orange sherbert pink	1.00
